

Curriculum Vitae

Associate Professor Tan Teng Hooi

Dean

School of Science & Technology

Tel : +65 6248 4436

Education Qualifications

1998	PhD, Nanyang Technological University
1984	M.Sc (Civil), National University of Singapore
1980	BEng (Hons) 1 st Class, University of Singapore

Academic and Professional Experience

2012 – Present	Associate Professor, Singapore University of Social Sciences
2008 – 2012	Senior Principal/COO, T.Y.Lin International Pte Ltd, Singapore
1985 – 2008	Associate Professor/Senior Lecturer/Lecturer, School of Civil & Environmental Engineering, Nanyang Technological University, Singapore Associate Chair/Vice-Dean (Administration), 2005 to 2008, Acting Head, Division of Construction Technology and Management – 2005
1980 – 1985	Project/Resident Engineer, Ove Arup & Partners, Singapore

Memberships and Professional Activities

2020 – Present	Fellow, Asia-Pacific Institute of Experts, Singapore
2009 – Present	Asean Chartered Professional Engineer, ACPE-00124/SG)
2002 – Present	Member, SPRING, Singapore, (TC 118-2-1R) Technical Committee on Building Structure and Sub-structure
1986 – Present	Chartered Engineer, UK, 1986
1986 – Present	Fellow, The Institution of Civil Engineers, UK
1985 – Present	Professional Engineer, Singapore, 1985 (Reg No. 2196)
1985 – Present	Fellow, Institution of Engineers, Singapore
2008 – 2023	Engineering Accreditation Board Member, IES

2020 – 2023	LTA Compensation Board
2012 – 2024	Member, Inquiry Panel, Legal Profession Act
2019 – 2022	Member, Assessor Panel, Appeals Board (Land Acquisition), MinLaw
2015 – 2024	Member, Strata Titles Board, MND
2015 – 2017	Convenor, SPRING-BCA's adoption of Eurocode 5 in Singapore
2015 – 2019	Council member, Society of Project Managers (SPM), Singapore
2009 – 2020	Engineering Accreditation Board Member, IES
2014 – 2019	Member, BCA Assessment Committee for Built Environment Leadership Awards
2012 – 2020	Member, Inquiry Panel, Legal Profession Act
2010 – 2016	Member, Disciplinary Panel, The Council for Estate Agencies, MND
2009 – 2013	Convenor, SPRING-BCA's adoption of Eurocode 0 and Eurocode 1 in Singapore (from 2006). Also member of the workgroup for Eurocode 2.
2008 – 2013	Member, BCA Assessment Committee for Design & Engineering Safety Excellence Awards
2012	Council member, Association of Consulting Engineers (ACES)
2009 – 2011	Board Member, Professional Engineers Board, Singapore
2008	Co-Chairman, Organizing Committee of the 5th International Conference on "Structures in Fire" held in May 2008
2007	Chairman, Organizing Committee of the 8th Pacific Conference on Earthquake Engineering held in Dec 2007
2004 – 2008	IES - Council member, (2004-08), EXCO member (2007-08), Chairman, Industrial Group (2006-08)
2004 – 2005	Member, Professional Engineers Board Review Committee on Professional Engineering Practices
2004 – 2005	Chairman, IES Geotechnical and Transportation Engrg Technical Committee
2002 – 2004	FSSB Committee on the Development of Performance Based Structural Design for Fire Resistance, Singapore
2001	Executive Secretary for The Eighth East Asia Pacific Conference on Structural Engineering and Construction (EASEC-8) December 2001
2001	Editor, IES C&S Journal, 2001
1999 – 2004	IES Civil and Structural Technical Committee since 1999-2004 [Chairman, Structural Division from 2001-2004]
1998 – 2001	PSB (TC 118/9/1R) Technical Committee (for Structural Engineering Practice)
1993 – 2003	SAC-SINGLAS Technical Committee on Civil Engineering Testings - [Deputy Chairman 1997-2003]

Research Interests

- Triaxial Stress in concrete
- Structural Design and Appraisal of Building
- Construction Material and Technology

Honours and Awards

2001	IES Outstanding Volunteer Award 2010
2009	Merit Award, Standards Council of Singapore in recognition of his participation and contribution to standardisation work
2004 – 2005	Served as a Resource person to assist the Committee of Inquiry for the Nicoll Highway Collapse

Invitations

2018	Invited Speaker for BCA's seminar on "Safe Built Environment Through Effective Building Control and Innovative Solutions"
2014	Keynote speaker on "How design modules help in the accreditation of engineering programmes" at International Conference on Advanced Design Research and Education.
2010	Invited Speaker for BCA's seminar on "Appraisal of Building Structure And Slopes"
2008	Invited Speaker for BCA's seminar on "High Strength Concrete & Alternative Steel"
2007	Invited Speaker for IES - MOM Seminar on "Moving Beyond Nicoll Highway Incident"
2005	Keynote speaker on "Effects of triaxial stress on concrete" at the 30th Conference on Our World in Concrete & Structures, 2005
2004	Invited speaker on "Failure Criteria of Concrete under Triaxial Compression" at the International Symposium on Confined Concrete, China 2004

Selected Publications

Book Chapters:

- Tan, T.H., Li B and Nguyen NB, "Design Guide for the use of Grade B600 High strength reinforcement in reinforced concrete structures", Building Construction Authority, 2019.
- Chui, Y.P. and Tan, T.H. Chapter 12: Humans still matter in Productivity, Safety, and Technology, The Heart of Learning, SUSS 2017.
- Tan, T.H., Sun Xin, Failure Criteria of Concrete under Triaxial Compression, SP-238 International Symposium on Confined Concrete, ACI 2006.
- Tan, T.H., Nyugen Ngoc Ba, Flexural Stress-Strain Curves of Confined High-Strength Concrete, SP-238 International Symposium on Confined Concrete, ACI 2006.

Chan, K.S., Tan, T.H., Reinforced Concrete Structures With Epoxy-bonded Steel Plates., ACI Special Publication SP-165, Repair and Strengthening with Adhesive Bonded Plates, American Concrete Institute, U.S.A. 1996.

International Journals:

Wong S et al, "Concrete Prefabricated Prefinished Volumetric Construction for Two High-rise Blocks in Singapore", The Structural Engineer, August 2021, pp 28-35. Won the Murray Buxton Award for the best paper.
